Subject: Wisconsin Technical College System (WTCS) District Harassment Policy Statement

Contact: Linda Fahey linda.fahey@wtcsystem.edu

Effective: March 29, 1999

Distribution: District Directors
AB Distribution List

The state board requires district boards to adopt and disseminate policies which prohibit harassment on the basis of sex, race, national origin and handicapped status. Such policies shall cover all supervisors, co-workers and non-employees. District policies must clearly state that harassment is illegal and therefore prohibited. They must also express strong disapproval, develop appropriate sanctions and inform employees of their rights to raise and how to raise the issue of harassment under Title VII.
